

# Risk Assessment

## Highfield Level 2 Award in Risk Assessment (RQF)

This qualification is designed to prepare learners to progress into further/higher level training and is designed to provide learners with an awareness of the benefits of risk assessment in any environment.

The qualification can be taken as a stand-alone or as part of a wider programme of training, it is suitable for learners aged 14+ and has one mandatory unit to complete.

### **How long will it take me to achieve this qualification?**

This qualification is usually achieved by taking a one-day classroom-based course, however, it can also be achieved through a variety of other methods including blended, distance and e-learning.

### **How is the qualification assessed?**

It is assessed by a multiple-choice examination, where the learner must answer at least 9 out of 15 questions correctly. The examination will take a maximum of 30 minutes to complete.

### **What next?**

Learners successfully completing this qualification may wish to progress onto further qualifications, such as:

- Highfield Level 2 Award in Health and Safety within the Workplace (RQF)
- Highfield Level 3 Award in Health and Safety within the Workplace (RQF)
